Step into the magic of the season!

As you wander through our twinkling winter wonderland, let the sights, sounds, and sparkle of the holidays fill you with joy. Each dazzling tree and wreath has been lovingly decorated by talented individuals and groups from across our local community.

Now celebrating more than four decades of holiday cheer, **Festival of Trees** continues to be a cherished Tampa Bay tradition for families and friends alike. Little ones can get creative in the **Children's Village** with festive arts & crafts and, of course, share their holiday wishes with **Santa** himself!

Enjoy live entertainment each day, shop unique gifts and treasures from local vendors, and know that every moment you spend here supports The Arc Tampa Bay and the incredible individuals with intellectual and developmental disabilities that it serves.

Thank you to Our Decorators

For four decades, the heart of our celebration has been the incredible creativity of our decorators—local businesses, families, friends, and individuals who come together each year to transform trees and wreaths into works of art. From timeless traditions to bold innovations, their designs continue to inspire and delight. The diversity and imagination on display never fail to captivate both us and the entire Tampa Bay community. This year, we honor the legacy of the past while embracing the fresh spirit of the season. Let the magic begin!
